

## **BATTLE CAMPERS!**

Defend your village, it's a battle between the campers! All you need is 2 players and 2 copies of this sheet!

Each player will need 2 battle boards as provided below. Place all 5 accommodation sites that are listed on the right anywhere around the board. Each player, on their turn, must call out a location on the board eg, E8. The other player must cross out the square you called out and say if it was a HIT, MISS or CRASH, see example on right hand side of sheet. The last person standing wins!

## TRICK TO THE GAME

USE 1 COPY TO MARK WHERE YOUR ENEMY IS TARGETING.

*USE THE OTHER COPY TO KEEP TRACK OF WHERE YOU ARE TARGETING*
